

Step-by-step

In this document, we will introduce you to Digaí. To answer the questions, you can directly access the **web page** or start a chat with Digaí via **WhatsApp**

What is Tell me now/Digaí?

Tell me now/Digaí is a partner platform of CI&T that enables the recruitment team to reach the best talents by streamlining the process of **getting to know you** beyond your resume or previous experience. It prioritizes humanized conversations with individuals aligned to the opportunities.

This stage consists of **4 questions**.

Time to read and submit each response:

Min: **30 seconds**

Max: **5 minutes**

Set aside at least 15 minutes in a quiet place to focus and ensure the quality of your audio.

CI&T is driven by AI.
Through it, we envision the
perfect synergy between
humans and technology.
